COMMENTS FROM THE TOWN MANAGER'S OFFICE

Auditing of the 1959 accounts was started on Tuesday of last week by Mr. Strand of the State Department of Audit. It is anticipated that it will take about one week to complete the audit, which is average time for a town the size of Bethel.

The first meeting of the Budget Committee was held on Jan. 14 with all but two members of the committee present. A number of the routine articles were discussed and recommendations made to be presented to the annual town meeting. The second meeting will be held on Jan. 21st with the school budget to be the principal topic for consideration.

It is well to note that the Bethel Water Company has erected additional markers indicating location of hydrants during the winter months. This is much appreciated by those that are required to watch out for them while operating snow plows. Also they are easily located in case of fire.

The large elm located in front of the main entrance to Bethel Inn was removed this past week by employees of the Maine Tree Service, employed by the town. It is interesting to note that the land comprising Bethel Common goes very close to the Inn. In fact the tree is located on land owned by the town.

Sincerely,
Harold L. Bean

LASSITER CANDIDATE FOR SHERIFFALTY RENOMINATION

James Lassiter, sheriff of Oxford County, announced today that he will be a candidate for renomination and a fourth term at the Republican primary election in June.

This is Lassiter's sixth year in office, following appointment as sheriff in August, 1954, after the death of Clark C. Hunt. That same year he won election to office.

Sheriff James Lassiter

Mr. Lassiter is one of the directors of the Maine Sheriff's Academy and drew up a curriculum for a two weeks course last October for that group.

Since his election as sheriff, there have been no escapes from the Oxford County jail, and of 1,600 cases last year all have been solved or disposed of with the exception of about 47, some of these having been handled lately, all misdemeanors.

The jail has received an excellent rating each year under state inspection for sanitation, cleanliness, court service, security and adequate general care of prisoners.

Under his administration several training schools for deputies have been held and a two-way short wave radio county communication system, connecting the state police network has been installed. The county buildings are the seat of connecting Civil Defense activities associated with the department, with his help in organization.

Economies effected in the county jail system compare on a per capita basis very favorably with the Maine State Prison. The Oxford County establishment has an average of 11 inmates, a maximum of 21 during his service. Against an average cost of \$1238.00 per capita at Thomaston, with an average of 440 prisoners, the county jail cost is \$750.00 per capita.

He points out that the incumbent in this office also must have complete responsibility for civil writs issued. Federal training has been afforded at FBI conducted schools in Rumford.

Mr. Lassiter was born Jan. 4, 1908 in Dark County, Ohio, and spent much of his life in Michigan. He was educated in St. Louis, Mich. Raised on a farm, he entered the U. S. Army in 1929. A captain in World War II, he was cited for meritorious service in Normandy against the enemy. He was wounded later at the Normandy beachhead, as the senior officer following wounding or killing of all other senior officers, as a member of the 35th Division, 134th Regiment.

During the post war period he was in charge of a clearing post for food shipments for all of Austria, in charge of up to 600 freight car entries and employees daily.

Fraternal connections include being overseer of the Oxford County Pomona Grange and master of the Bear River Grange, Newry. He is an active veteran's member of the Mundt-Allen Post, Bethel, and Chaplain of the Oxford County Legion. A member of the Norway-Paris Kiwanis Club, he was the head of the annual Operation Santa Claus for underprivileged children. He is also a member of the Rumford Veterans of Foreign Wars Post.

He married the former Rosaline Morrill, a Bethel native, in 1948. They attend the First Congregational Church where she is active in organization work. They have no children.

Bethel Woman Killed in Storm Accident

Mrs. Sylvia Meserve was killed Tuesday morning as she crossed the road at her home on the Bethel-Locke Mills road. In the blinding snowstorm she walked into the path of the car of Earl Hutchinson while a car was waiting to carry her to her work at Bethel village. Mr. Hutchinson was going to his work at the P. H. Chadbourne & Co. mill at South Bethel.

Investigating the accident were State Trooper William Bickford and Deputy Albert Grover of Bethel, assisted by Troop John Marshall and Sgt. Stephen Conant.

Mrs. Meserve was born in Buckfield, July 17, 1903, the daughter of Benjamin and Jennie Mayhew Taylor. She had lived here seven years.

Surviving are her husband, John; a son, Alan Lapham, Mt. Clemons, Mich.; two daughters, Mrs. Gertrude Hice, Framingham, Mass., and Mrs. Annette Clough, Hebron; four brothers, Richmond Taylor, Auburn, William Taylor, Norway, Leland Taylor, Oxford, Mass., and Clarence Taylor, address unknown; two sisters, Miss Mildred Taylor, Barnstable, Mass., and Mrs. Mary Cole, Auburn; 15 grandchildren.

Funeral services will be held at Greenleaf funeral home Saturday at 2 p. m., Rev. Clifford Laws officiating. Entombment at Riverside Cemetery.

JUNIOR CHAMBER TO ORGANIZE

The young men of Bethel voted Sunday night to organize a Junior Chamber of Commerce. At a special meeting in the American Legion building attended by Eldon Greenleaf, Bud Howe, Rudy Royer, Gayland Dooen, Roland Annis Jr., Lawrence Winslow, George Olson, Gillis Auger, Thomas Carter, Stanley Merrill, Henry Swan, Lewis Sargent, Howard Gunther, Errol Donahue, Jr., and Richard Hamilton, it was decided to complete organizational plans for the new group immediately and start arrangements for affiliation with the State and United States Junior Chamber of Commerce.

Other business conducted was the election of temporary officers who will serve until formal elections take place at the Community Room on Jan. 31 at 7:30 p. m. Those selected were Eldon Greenleaf, chairman; Bud Howe, secretary, and Rudy Royer, chairman, to appoint the Constitution and By-Laws Committee.

The new Junior Chamber issues an open invitation to all young men to attend the next meeting. Any man interested can get more details by contacting any of the named men above who attended Sunday night's meeting.

The Rumford Jaycees, conducting this meeting, outlined the local, State and National Phases of the Junior Chamber.

Rumford Jaycees President Fred Tucker concluded the meeting with an outline of activities conducted by his chapter during the past year. Tucker mentioned that his chapter completed many projects, most of which were in the fields of Youth Welfare and Community Development. He feels that every Bethel young man can benefit from membership with the Jaycees. It gives us a means of improving our community and ourselves.

Chairman of the Rumford Extension Group is Maurice Mathieu. Other Rumford members attending Sunday night's affair were Ray Swan, Jack Orino, Fred Tucker, Dave Holden and Harvey Mason.

FORMER GOULD STUDENTS ON TWO YEARS PROBATION

Two Gould Academy students, freshman and sophomore boys, who were apprehended in Florida with the car of Larry Davis of Bethel, were found guilty of juvenile delinquency in Norway Municipal Court Monday. They were sentenced to the Boys Training Center at South Portland. Sentence was suspended and they were placed on two years probation. A 9 p. m. curfew was imposed and each is required to attend school.

ENTHUSIASTIC RECEPTION GREETS SKIWAY OPENING

The deepening snow cover has brought growing crowds of skiers to Sunday River Skiway, Maine's newest addition to New England's major ski areas, and an enthusiastic reception has greeted the new lift, lodge facilities and varied skiing terrain. The whole area is booming with Nils Torjensen's Ski School, the lodge cafeteria and the Sun-Ri Ski Shop in full swing.

Singled out for praise have been the spectator facilities provided in the lodge for the non-skiing members of the family. Comfortable chairs and picture windows on the lodge balcony provide a full view of the lift and both major slopes, and an outside sun deck provides the same view on sunny days.

Opening of the upper portion of the area provides the intermediate and expert with top drawer skiing on carefully laid out and exciting terrain. The tyro has been given his own area free from the competition of the more adept members of the skiing fraternity. This has meant rolling and gentle slopes where he can practice his first faltering turns to his heart's content. There is every reason to anticipate a banner season at Sunday River.

Mr. and Mrs. Charles E. Heywood will leave Friday on a Mediterranean cruise, after which they will spend some time in England and return home in April.

WANTED: Year-round office worker in Bethel area. Must type, bookkeeping not essential but shorthand preferred. Would consider part-time worker. Apply in handwriting giving education, experience and salary desired. Reply Care of Bethel Citizen, Box C.

Locke Mills Schoolgirl Saved From Drowning

Joanne Bickford, age 8, daughter of Mr. and Mrs. Lester Bickford, narrowly escaped drowning last Thursday. Joanne was returning to school across the ice covering a pond in the village when she walked too close to open water near the bridge. A school mate, Penny Twitchell, ran for help. Lee Mills, owner of Lee's Variety Store, responded and was able to hold on to the cement abutments of the bridge and extend the other arm enough so that Joanne could grasp it and with help he was able to pull her from the pond. This occurred in about eight feet of water with a swift current.

In breaking through Joanne had swung her arms behind her and been able to keep from going down into the current. Mr. Mills said she had kept her head and not tried to save herself which would have been fatal. Mrs. Mary Andrews had arrived by the time she was rescued and wrapped her coat around Joanne so that she was not too chilled and suffered no bad effects.

STOP! LOOK! LISTEN

Analysis of motor vehicle accident data reveals that 50% of Maine's Traffic Fatalities this year have occurred at railroad crossings. Caution at such locations, therefore, is very much "in season," says Arlyn E. Barnard, Chairman of the Maine Highway Safety Committee.

With the windows closed and the radio blaring it is difficult for a driver to hear the signal of an approaching locomotive. Add to this frosted windows, plus a snow covered road or icy approach and we have an extremely dangerous situation.

The safety official warned drivers "to expect a train at anytime at any crossing, guarded or unguarded. Motorists should be alert for advance warning signs, and proceed across the tracks only after assuring the way is unquestionably clear, else the driver is going ahead blind, which could lead to his death."

"Some individuals rely on knowing train schedules, but trains can be late and there are unscheduled trains. Above all, never try beating the train to the crossing," Barnard concluded.

It is a little thing, but a little thing can make a big difference. When you are all alone, what do you do for supper? Do you eat cold leftovers? Do you eat something that is not good for you? Do you eat something that is not good for your health? Do you eat something that is not good for your taste? Do you eat something that is not good for your pocket? Do you eat something that is not good for your conscience? Do you eat something that is not good for your soul? Do you eat something that is not good for your future? Do you eat something that is not good for your happiness? Do you eat something that is not good for your peace of mind? Do you eat something that is not good for your health, your taste, your pocket, your conscience, your soul, your future, your happiness, your peace of mind?

Take two pounds of halibut in milk until the fish is well cooked. Take out the fish, strain the milk and save it.
 For the cream sauce use one cup milk, one half cup light cream, one cup of the milk in which fish was cooked, five tablespoons butter or margarine, five tablespoons flour, a whisker of pepper, a smidgen of salt, eight tablespoons grated cheese, one chopped pimiento, one chopped small green pepper, bread crumbs.
 Break fish into reasonable chunks and put in a greased casserole. Pour on the sauce and mix the sauce well with the fish. Put on a good layer of crumbs and dot the crumbs generously with butter or margarine. Bake at 350 about 45 minutes.

COUNTRY FLAVOR SOUNDS IN THE NIGHT

Each of the four major seasons has its distinctive night sounds. January is the first full month of winter but it is also the heart of winter. One expects blizzards to howl down from the northlands; one listens to the whimpering in the chimney as trapped wind protests its prison walls.

Many who live in city bedrooms can recall night sounds on the farm. On a zero-below night, nails snapped with rattle-sharp reports as they pulled from clapboards. There were intermittent crackles and noises in the walls of the old farmhouse.

From the woodland beyond the orchard, came the deep-toned, penetrating notes of the barred owls—notes in a series of eight that blended with the cold blackness of a January night. When the night flyer

TODAY'S Meditation

The Upper Room
 THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, January 21

Read Mark 2:1-5.
 Lord, what wilt thou have me to do? (Acts 9:6.)

ON the road to Damascus. Saul of Tarsus came face to face with Christ. Always a religious man, a Pharisee of the Pharisees, Saul, at the time of our Scripture verse, was in hot pursuit of new Christians. But when Saul was confronted by Christ, he changed his way of life. Saul of Tarsus became Paul the apostle, a man with a mission.

You and I have missions also. One's mission may be far-flung, as was Paul's. Another's may seem limited and modest. God does not call all of us to cross the seas. Maybe He is calling us to cross the street, or even the hallway in our apart-

ment dwelling, to witness for Him.

Truly, God has a mission for every Christian. If one does not know what his mission is, he should cry with Saul, "Lord, what wilt thou have me to do?" God will answer in His own way. Each Christian is meant to be a man with a mission.

PRAYER: Our heavenly Father, we thank Thee for men of old whom Thou didst call and entrust with missions for Thee. Help us to realize that Thou wouldst use us also. Give us courage and wisdom to fulfill our appointed mission. In Jesus' name and for His sake. Amen.

LIFE LINES
 by Col. Ralph T. Miller of The Salvation Army

THE FINDER OF MULES

Nature has many beautiful masterpieces, but I doubt if mules would be included in anybody's list of favorites. So, it has always puzzled me a little to read in the book of Genesis (36:24), that a certain man named Anah "found mules in the desert." What of it, you might ask? Why should that be put into God's Word?

But Bible scholars tell us something that sheds a world of light on that passage: that in the original Hebrew, the word means "hot springs," not "mules." The difference of one letter makes the change.

Now that is another matter, isn't it?

Anah found springs in the desert—that last place you'd

expect to. But he seems to have had faith that they were there, and he found them. From that day to this, weary, thirsty travelers have stopped for refreshment at the oases discovered by Anah.

It takes keen eyesight to find springs in the desert, and a great deal of faith.

It has been said of two of our English writers, Shakespeare and Dickens, that they could walk down the most dismal street in London, and discover there some of the most interesting characters in all literature. Others would see nothing.

Samuel Johnson once wrote, "There are men who see more on the coach to Hampstead than others do on the grand tour of Europe."

It is easy to pass through life, and find nothing of interest. But with a little effort, by looking for springs in the desert, all life becomes as fascinating as a day at the zoo is for a little child.

Let's try to imitate Anah, and find "springs in the desert."

GOULD ACADEMY

Girls' Sports

In a recent meeting of the Girls' Athletic Council, a committee was chosen to select an attractive standard uniform for the different teams to wear at special sports days at other schools and for games here at Gould.

The Girls' ski team, which has been practicing every day after school, will compete this Friday, Jan. 22, with Farmington and Edward Little at E.L.'s Winter Carnival. By Saturday night the girls should have had quite a bit of skiing as they will compete against Kent's Hill, Stephens High School, and Bridgton here at Gould on Saturday.

The girls who are working hard to make a good showing this week end and in future meets are Debbie Appleton,

Beth Brown, Margie Dallinger, Ann Ordway, and Mary Ann Royal! Good luck!

Game Postponed

The Gould-Fryeburg basketball game scheduled for Tuesday, Jan. 19th, has been postponed, at the request of Fryeburg Academy, and will be played on Thursday, Feb. 18.

The request was made because mid-year exams are scheduled for this week.

On Tuesday, Jan. 12, Gould Academy made it two straight wins over Bridgton as the Huskies came through with their fourth consecutive win. Gould trailed 12-5, and 21-18 at the first two quarter marks, but tied it up by the end of the third period, and from there pulled out to win 42-39.

Bill Kinsman was the game's leading scorer with 23 points, over half his team total. Whitney led for Bridgton with 14.

The Gould J.V.s swamped the Bridgton J.V.s 48-11 for their sixth consecutive victory.

Mechanic Falls at Gould, Friday, January 22

Gould will entertain the league-leading Mechanic Falls quintet on Friday. The visitors, undefeated in conference-play, will be favored to win despite the fact that the Huskies are playing on their own court. It will be a must game for Gould if they hope to remain in second place in the League. The two J.V. teams will start the night's festivities at 6:30.

On Tuesday, Jan. 26, the Norway high teams will meet.

the Gould varsity and J. V. teams for the second time. Gould won both games at Norway, but the Ram varsity has been playing good ball lately and the Huskies will be extended to make it two straight.

Gould Drops First Conference Game, 67-51

Last Friday, South Paris, with four men scoring in double figures, set too hot a pace for the Huskies especially through the middle periods. The first period was close with Paris leading only 16-11. In the second quarter a 14-4 score gave the Cardinals a 14 point edge at half time with a 29-15 score.

In the third period, with Mike Haley showing the way, Paris increased its lead to 20 points. Gould made its best showing in the final period, but could not down the big lead by only four points, and dropped its first league game 67-51.

Bill Kinsman of Gould and Mike Haley of Paris tied for the game's scoring honors with 17 points each. Close behind them with 15 points was Alton Swan of Paris.

In the preliminary, the Gould J.V.s suffered their first defeat in 7 starts as they were nosed-out 37-34.

ALL PERSONS GROSSING \$600 OR MORE IN 1959 MUST FILE TAX RETURN

Every citizen or resident of the United States, including minors, who had a gross income of \$600 or more in 1959, must file a Federal income tax return on or before April 15, 1960, Whitney L. Wheeler, Director of Internal Revenue for Augusta District, reminded taxpayers today.

If the taxpayer is 65 or over on January 1, 1960, he is not required to file unless his gross income in 1959 was at least \$1,200, Mr. Wheeler said.

He added that even though a taxpayer is not required to file under these rules, he must file to obtain a refund if any income tax was withheld from his pay.

Mr. Wheeler said there is one exception to the general rule. Self-employed persons must file an income tax return and pay a self-employment tax if net earnings from self-employment was \$400 or more.

He explained that self-employed persons are those carrying on a trade or business as sole proprietors, as members of a partnership, or rendering services as independent contractors.

Mr. Wheeler said the deadline for filing is April 15, 1960, but he urged taxpayers to file as soon after January 1, as possible and mail their returns to "District Director of Internal Revenue," 221 State Street, Augusta, Maine. Checks or money orders for any tax due must accompany the return and should be made payable to the "Internal Revenue Service," he said.
